The students in grades 4-6 have been enjoying the tennis lessons thanks to the leaders from the Cougar Dome. They were very complimentary of the students at WRC. These lessons will continue for two weeks. In the spring a team of students will represent WRC at a tennis tournament.

Please be sure to notify the office by phone or email (dickiekl@ccrce.ca or coxbl@ccrce.ca) if your child will be absent from school. It is helpful and very much appreciated to notify us before school starts to help with the morning routines. You may leave a notice the night before as well.
Mr. Adams, Regional Executive Director of Education for Chignecto Central-Regional Center for Education started his day on Monday, January 28th by joining students and staff of Winding River Consolidated for their daily school wide "Write Away". Mr. Adams joined in by composing his own "write away", visiting classrooms to observe students as they shared their writing pieces and talking with staff. He was very complimentary to all.

Our WRC News segment scheduled for February will air on Thursday, February 28th at 8:20am.

Peacekeeper recipients
